

TEN ideas that could transform your college ministry

Benson Hines • ExploringCollegeMinistry.com • January, 2009

1. College ministry is missions.

- contextualization
- strategy
- difficulty

2. It's great to be a college minister.

- the growing national concern
- the need for lifers
- field development
- sharing our stories

3. Collaborate, collaborate, collaborate.

- personal collaboration
- ministry visits
- training opportunities
- books, articles, blogs, etc.

4. Figure out churchmanship.

5. Help students connect to the biblical *whys*.

ideas that might transform your college ministry **TEN**

6. Beware unhealthy ministry.

- cults
- unbalanced ministries
- watching our own ministries

7. Help students transition to college.

8. Help students transition *from* college.

9. Think about niches.

- niche ministry
- your church's unique Plan
- what only a church can do
- what only *your* church can do

10. Build your best campus mission.

- longevity
- aggressive progress
- evaluation
